

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
INVENTOR'S POWER OF ATTORNEY

As the below identified inventor, I hereby declare as follows:

I am the inventor of the invention(s) claimed in Application for Letters Patent entitled – *Physics Engine* – Serial Number 10/782,745 that was filed on February 19, 2004;

I hereby revoke any Powers of Attorney previously authorized by me to prosecute the 10/782,745 Application and to transact business associated with the Application in the United States Patent and Trademark Office; and

From the date identified below, I hereby appoint Kenneth F. Pearce, Registration Number 33,026, a member of the Bars of the Commonwealth of Kentucky and the State of Indiana, my attorney, with full power of substitution and revocation to prosecute this Application and to transact all business in the United States Patent and Trademark Office.

Please direct all correspondence and telephone calls relative to the above-identified Application to:
